

Kangaroo Island's Pioneer Winery

**MAIL ORDER FORM**

Sitting windswept & remote in the southern ocean, Kangaroo Island's pristine environment, cool maritime climate and limestone soils make it the perfect setting for developing classic cool climate wines.

Dudley Wines is the pioneer of Kangaroo Island's rapidly expanding wine industry, established in 1994 by three local identities who have been working the soils of Kangaroo Island for generations.

From humble beginnings, Dudley Wines now encompasses three vineyards spread across the stunning Dudley Peninsula on the eastern end of Kangaroo Island, producing nine different wine styles.

Each of the wines from Dudley's award-winning range stands as an exemplary choice of premium wine from one of the newest cool-climate viticultural regions in Australia.
